NOTES

ASH Provider. Utilizes stretching and soft tissue work in conjunction with chiropractic adjustments. Find additional ASH providers at <http://www.ashcompanies.com/applications/members/providersearch/Default.aspx>

Utilizes stretching and soft tissue work in conjunction with chiropractic adjustments. Based on personal discussions it sounds as though his methods are similar to Dr. Rick's.

Provides deep tissue massage with every adjustment. 30, 60 and 90 minute massage is also available, which insurance often covers. Based on working together at a seminar several years ago, we have similar adjustment methods.

Will be in Dr. Rick and Karin's previous location. Dr. Merritt has been in practice for over 20 years and utilizes a variety of advanced chiropractic techniques. He is also a part time rock musician!

We wish all of our former patients the best in continued health and well being. If you need anything, such as records, x-rays, etc. please don't hesitate to call our office at 415-472-7070, where we will have a new forwarding number, and will be happy to assist you. Dr. Merritt in our former location will also be able to get in touch with us at any time in the future. We will miss you! Best wishes!
